

## The Value Proposition of Non-Emergency Medical Transportation (NEMT)

Findings from a first-of-its kind study examining return on investment (ROI) for NEMT & surveying actual NEMT users.

NEMT  
Pays for Itself

NEMT  
is Invaluable for Patients

**10%** of surveyed beneficiaries said **they would die or probably die** without the NEMT services they receive

**58%** of 1,000 surveyed beneficiaries said they **would not be able to attend medical appointments** without NEMT

**\$40 million ROI** Per 20,000 members, per month

**\$34.2 million ROI**

per 10,000 members per month for NEMT to attend dialysis treatments

**\$7.9 million ROI**

per 10,000 members per month for NEMT to attend diabetic wound care treatments
